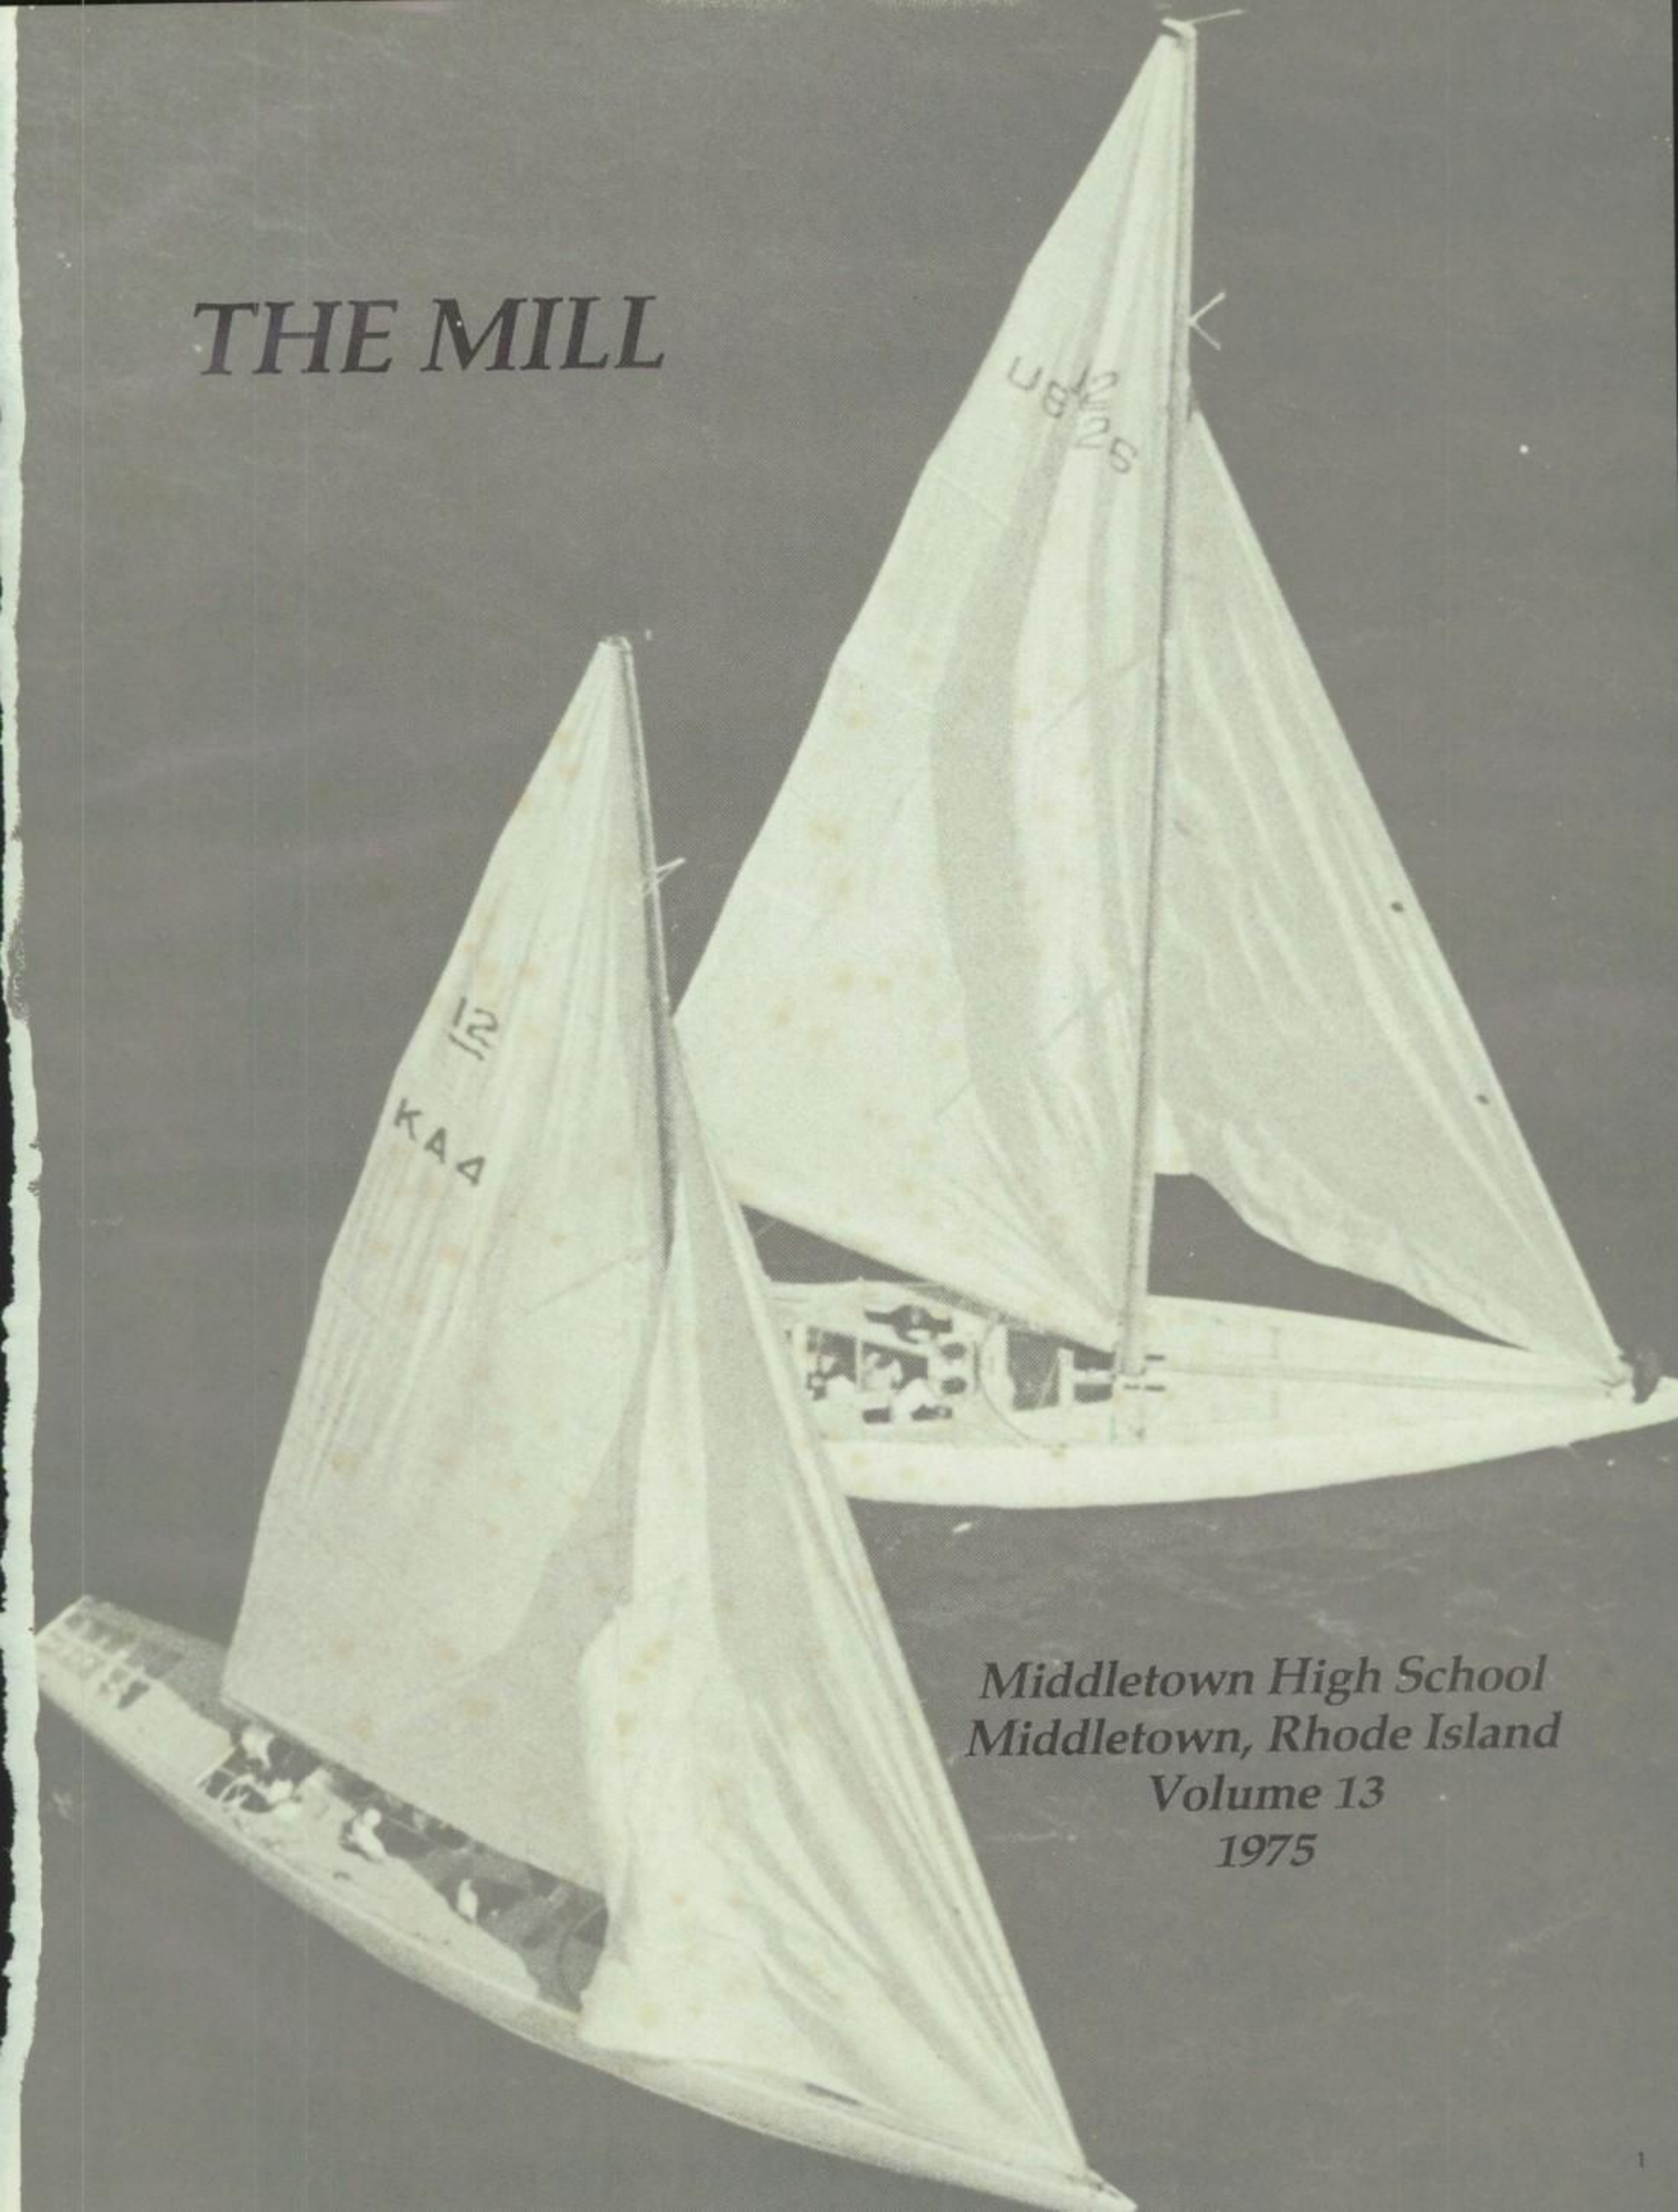
THE MILL



Middletown High School
Middletown, Rhode Island
Volume 13
1975

During the Summer of '74 the America's Cup fleet of challengers, defenders, and spectators gathered at Newport Harbor. There is nothing in yachting comparable to the excitement of an America's Cup race. On these and the following pages The Mill presents a portfolio of photos capturing the essence of the excitement at Newport.

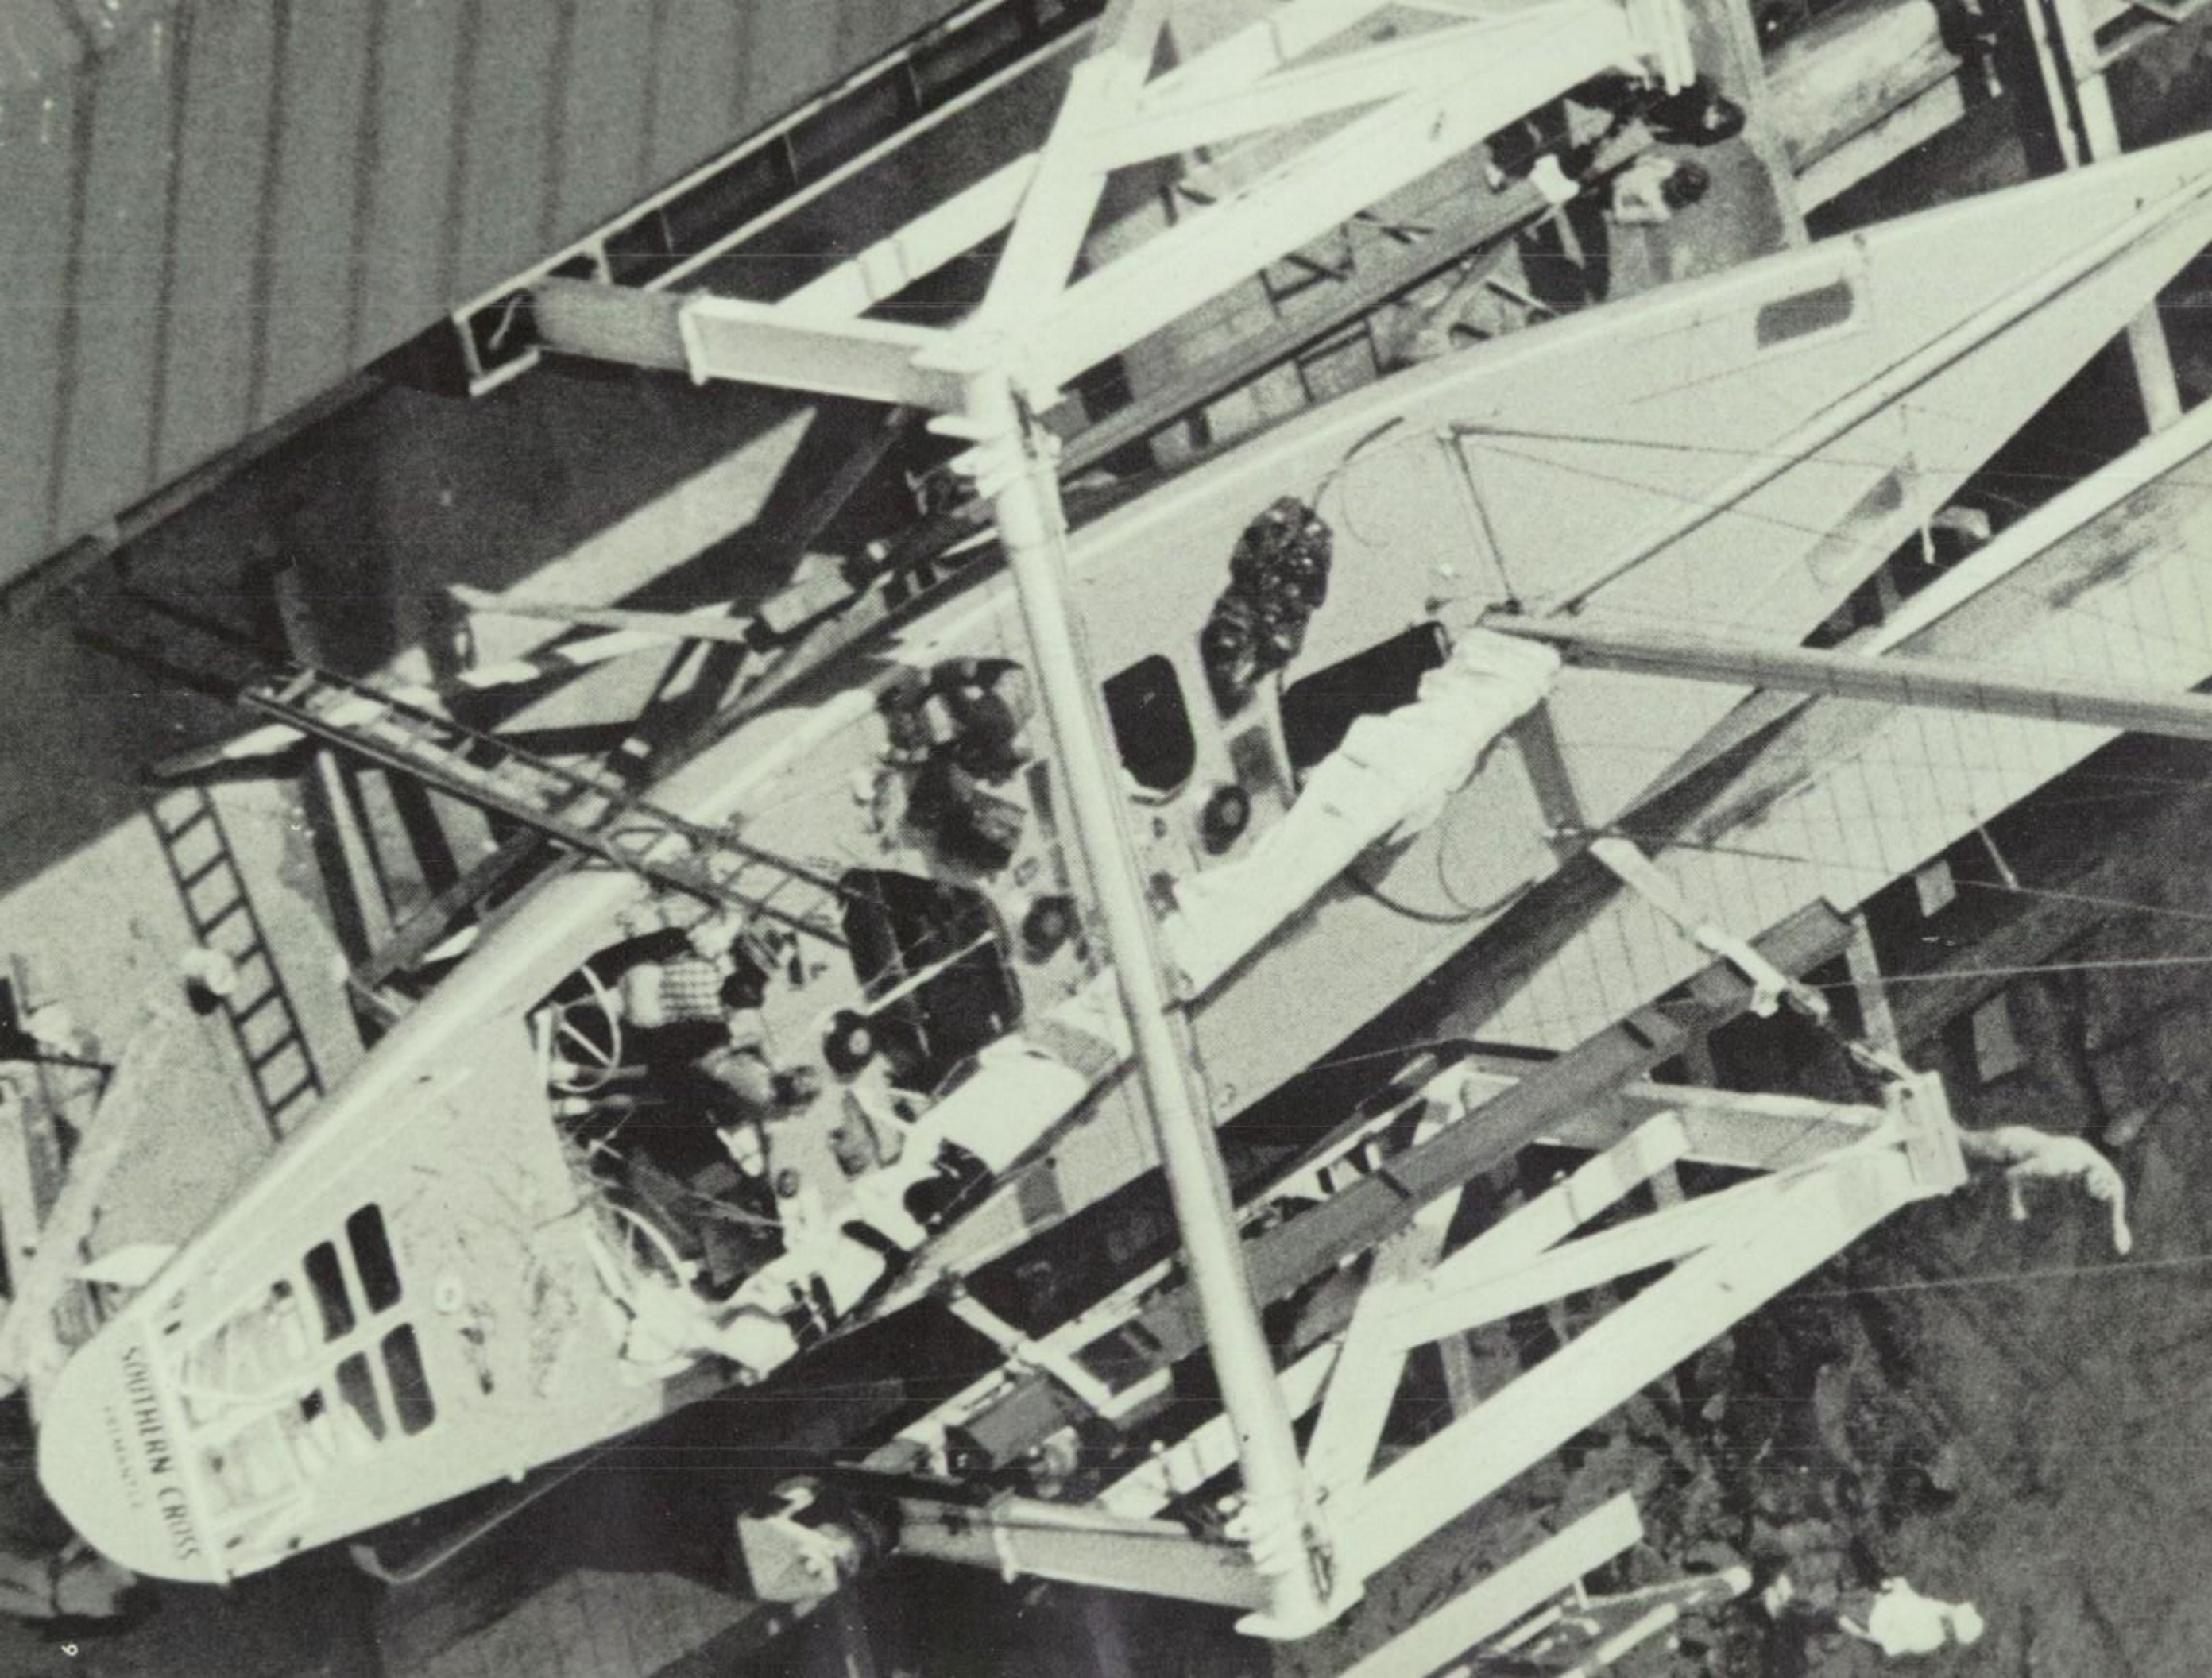
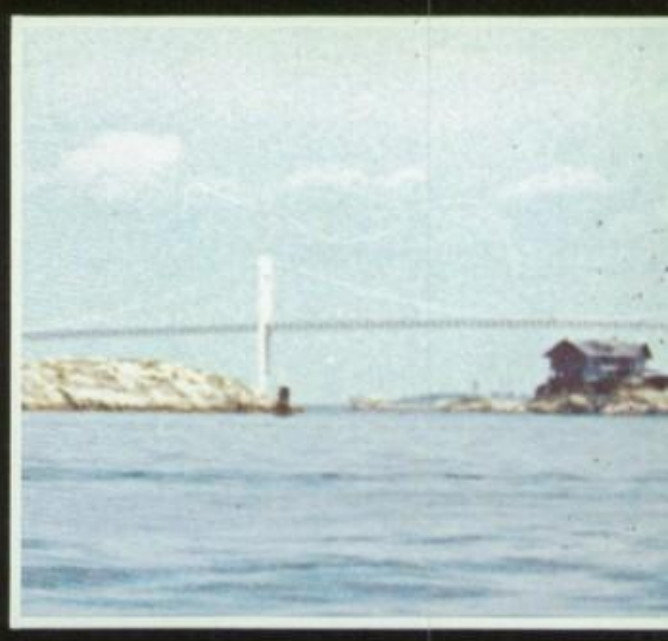
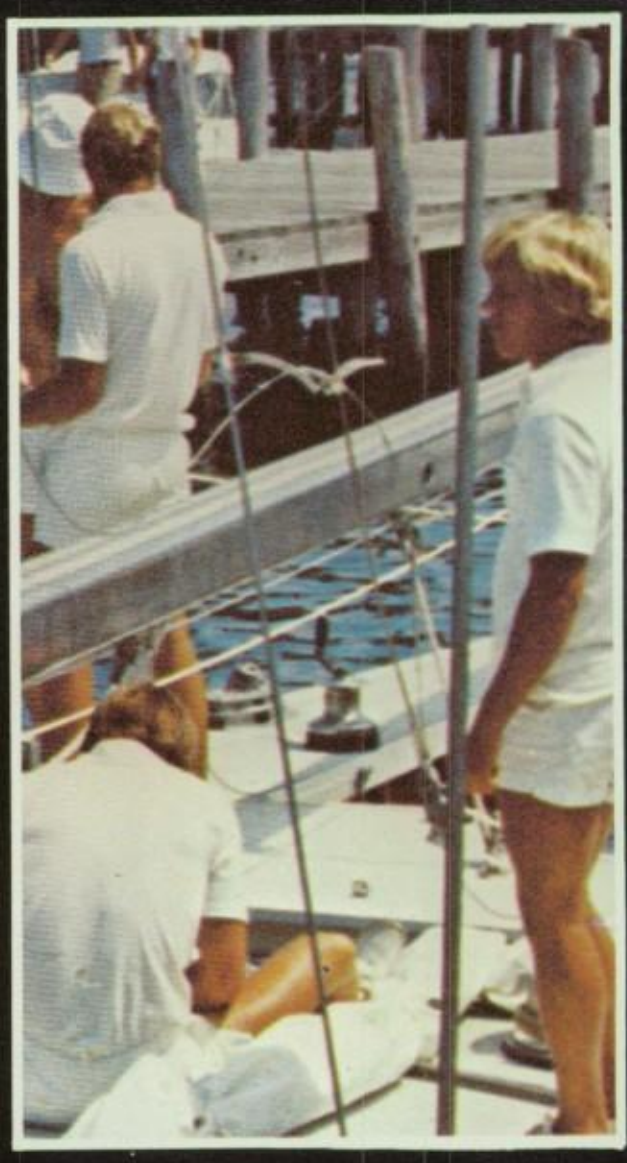
COURAGEOUS



SOUTHERN CROSS



The United States defense of the America's Cup is the longest winning streak in any sport lasting from the first cup race, won by the yacht AMERICA, in 1851, to the twenty-second challenge race won by the twelve meter COURAGEOUS in 1974. In the years from 1851 until 1930 the Cup races were run intermittently with Sir Thomas Lipton of England being the most persistent cup seeker. He challenged for the cup unsuccessfully five times between 1894 and 1930. Since 1930 the races have been run every four years with the Australians taking out as the most enthusiastic challengers. In 1974 America's COURAGEOUS defeated Australia's SOUTHERN CROSS in four straight decisive races. It was, again, a memorable America's Cup summer.



Sea Fever

I must go down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by,
And the wheel's kick and the wind's song and the white sails shaking,
And a gray mist on the sea's face and a gray dawn breaking.

I must go down to the seas again, for the call of the running tide,
Is a wild call and a clear call that may not be denied;
And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume and the sea gulls crying.

I must go down to the seas again to the vagrant gypsy life,
To the gull's way and the whale's way where the wind's like a whetted knife;

And all I ask is a merry yarn from a laughing fellow-rover,
And quiet sleep and a sweet dream when the long trick's over.

Dedication

The entire professional life of Joseph H. Gaudet has been dedicated to the furtherance of education, specifically during his inspiring tenure as Superintendent of Schools in Middletown, R.I.

His concern for the welfare of the children and the community as a whole resulted in his appointment and election to several boards and commissions. He served as State Representative for The American Association of School Administrators. He is a trustee at Newport Hospital, a director for the Boy Scouts of America, the Heart Foundation and the Tuberculosis and Respiratory Disease Association. He is a past commissioner of the County Law Enforcement Commission and has held several other positions in local government.

Mr. Gaudet received his Master's degree in education from Boston University and a certificate of Advance Graduate from Harvard University. Salve Regina College conferred upon Mr. Gaudet an Honorary Doctorate in Education in 1970. Four schools in our town were constructed under the supervision of Dr. Gaudet. The benefits of his concern were experienced by all school children through his initiation and establishment of the Space Science Center. His concern extended to the establishment of the first program in Middletown for secondary education and led to the acquisition with the Ford Foundation and Rhode Island College.

Mr. Gaudet has brought expertise to the office of Superintendent of Schools in Middletown. He has made us proud of our school system.

He has supported and encouraged interscholastic sports and cultural activities of the students.

His example shall remain an inspiration to all of the children fortunate to have benefited from his dedicated career.

For these and his many intangible contributions we would like to dedicate the 1975 Mill to Joseph H. Gaudet — scholar, builder, gentleman, friend.

JOSEPH GAUDET

Class History

We entered Middletown High School in the fall of 1971. We were low men on the totem pole, but we didn't notice that too much. We were too busy figuring out when first lunch ended and what period was after "A".

As "mature" sophomores, we began to get involved with school activities. Our officers were Randy Updegrove, president; Marie Sullivan, vice-president; Karen Perry, secretary; Marie Furey, treasurer. We won the first Homecoming float competition. Class rings were ordered, proving someday we'd be upperclassmen, too! The class of 75 showed its originality by changing the traditional design of class rings. Many sophomores began to join and try out for teams and organizations — football, basketball, the Thespian troupe, cheerleading and many others.

The summer of 73 was the setting for the biggest political controversy of the century — Watergate. Closer to home, the construction of a new Jai-Alai Fronton, crowded beaches, and amateur baseball games made the news.

Upperclassmen at last! We elected Beth Murphy as president; Peter Martin, vice-president; Anne Silvia, secretary; and Marie Furey, treasurer. PSAT's tried to prepare us for the college boards waiting in ambush. It was a great year for the football team, consisting of many junior members. Almost before we knew it, it was time for our Junior Prom. With a tremendous class effort, we produced a beautiful prom. We all remember our radiant queen, Sue Roper and "The Long and Winding Road" we had traveled to our prom.

What a summer! The Red Sox looked like they might have a baseball team and the makings of an exciting America's Cup summer were right here at home. Everywhere we looked we saw tourists — Australians, Frenchmen, you name it, they were here.

Finally, we were seniors. We elected class officers, not just for one year, but as the permanent officers of our class, Ned Cocoran, president; Randy Updegrove, vice-president; Patty McGowan, secretary, and Marie Furey, treasurer. We anxiously filed to take SAT's (again!) and started plans for our last (and best) Homecoming. Not only are we on varsity teams and clubs, we're captains and presidents! The thrill of getting our senior proofs and pictures was upon us. While shortly after Homecoming came the senior class play, student directed by Beth Murphy. We waited for college acceptances and looked for jobs next year. Plans were made for our senior week — our banquet, play, picnic and prom. We practiced for graduation, hardly believing we would soon be alumni.

The Class of '75 would never have made it this far without a benevolent administration and understanding class advisors, and to these concerned and devoted individuals we extend a very sincere "Thank You."

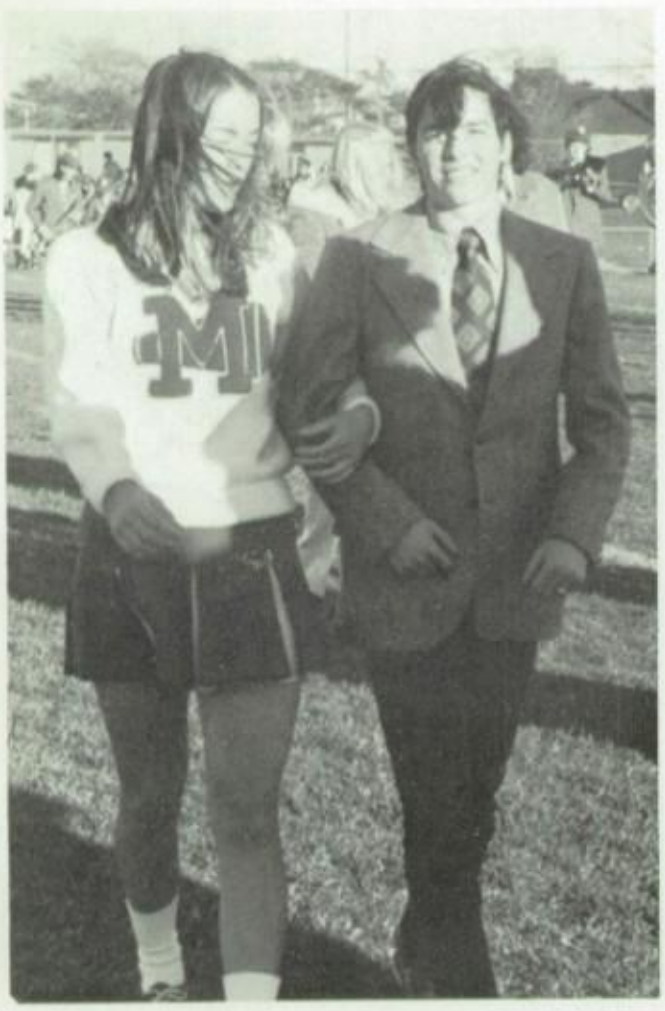
Seniors

Homecoming '74

A cold, windy, Saturday, November 9th set the scene for our annual homecoming activities. The day began with a parade featuring MHS floats. Pregame activities continued with a car crash at the high school. The game at 2:00 ended with a victory over the North Providence Cougars. At halftime Valerie Hoffman was crowned Homecoming Queen and the spirit jug was presented to the junior class. Joining Valerie in the Queen's court were seniors Valerie Fischer and Regina McHardy, junior Patti Killeen and sophomore Cathy Roberts. A new tradition was also started this year when the class of '75 crowned Mike Lamoreaux Homecoming "King."

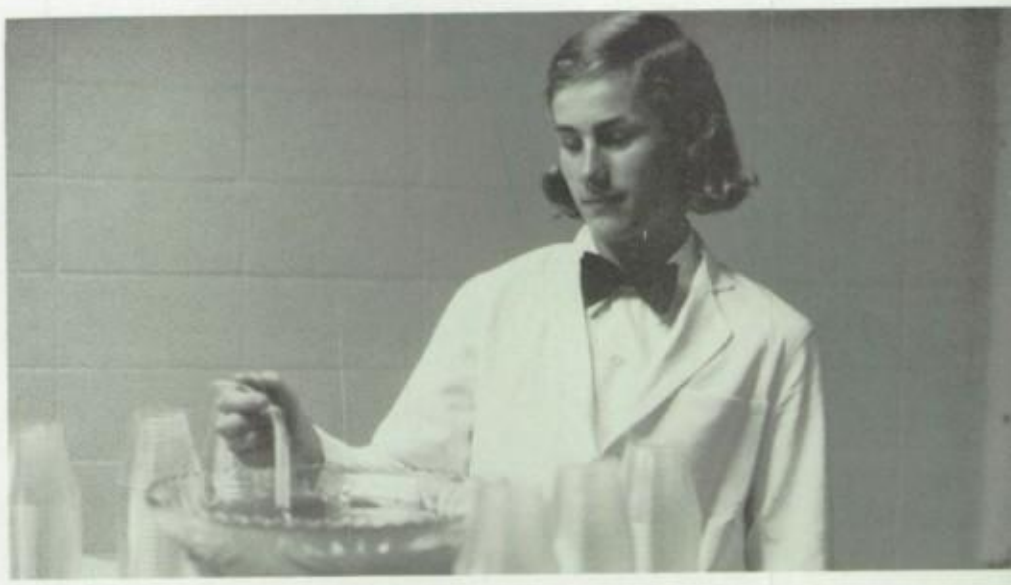
Homecoming week's activities began with an ugly boy and girl contest, carnation sales, spirit link sales, class days and hall decorating, all leading up to a memorable dance on the evening of the ninth.

Congratulations to Marie Sullivan for organizing one of the most successful homecomings MHS has ever had.

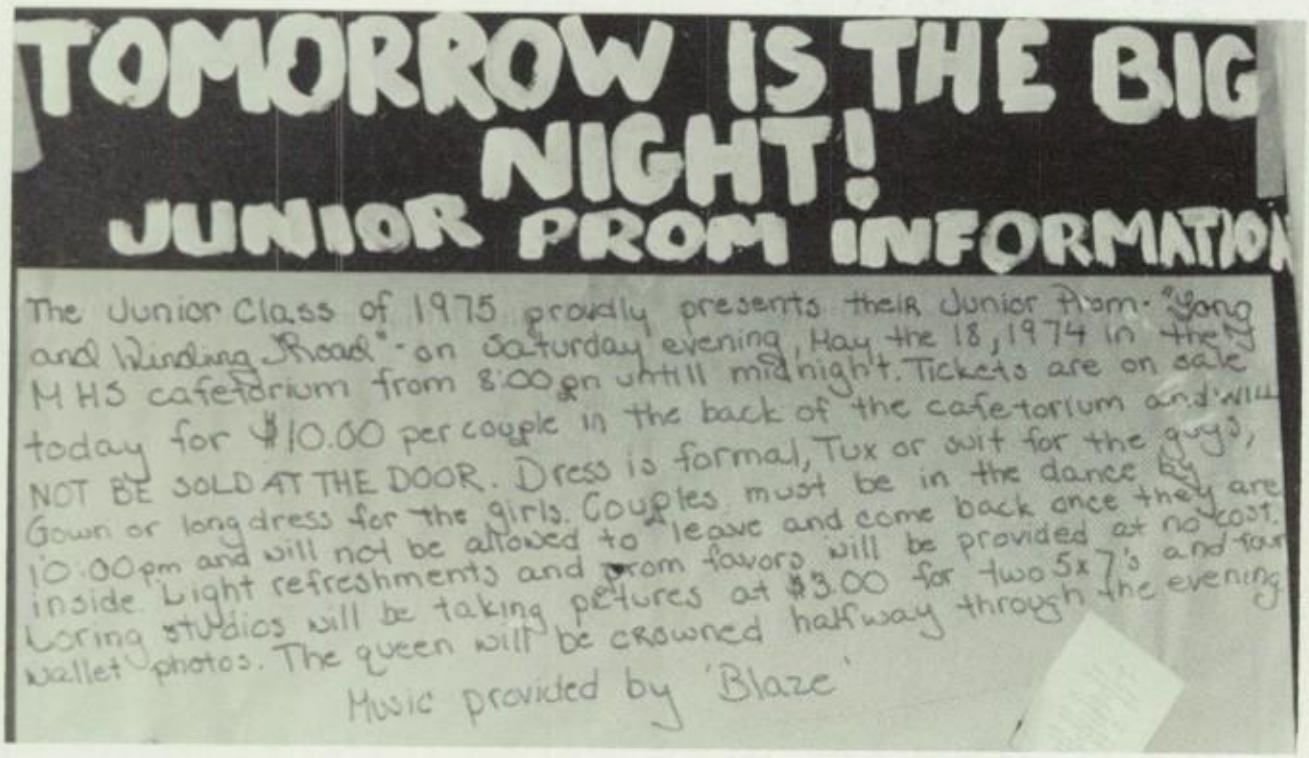


MIDDLET

Junior Prom — 1974



The class of 1975 had traveled a "Long and Winding Road" to our Junior Prom. Beginning with the naming of Ned Cocoran and Nancy Rossi as co-chairmen and continuing right up to the presentation of the Junior Prom court, consisting of Valerie Fischer, Celine Hole, Jean Evans, Valerie Hoffman and lovely Queen, Sue Roper, the whole class contributed much time and effort toward the success of our once-in-a-lifetime event. We seemed to have been dancing only a short time when the lights came on and we found our Junior Prom to be behind us on our longer road to graduation.



TOMORROW IS THE BIG NIGHT!
JUNIOR PROM INFORMATION
The Junior Class of 1975 proudly presents their Junior Prom- "Long and Winding Road" - on Saturday evening, May the 18, 1974 in the MHS cafetorium from 8:00 pm until midnight. Tickets are on sale today for $10.00 per couple in the back of the cafetorium and will NOT BE SOLD AT THE DOOR. Dress is formal, Tux or suit for the guys, Gown or long dress for the girls. Couples must be in the dance by 10:00 pm and will not be allowed to leave and come back once they are inside. Light refreshments and prom favors will be provided at no cost. Loring studios will be taking pictures at $3.00 for two 5x7's and four wallet photos. The queen will be crowned halfway through the evening

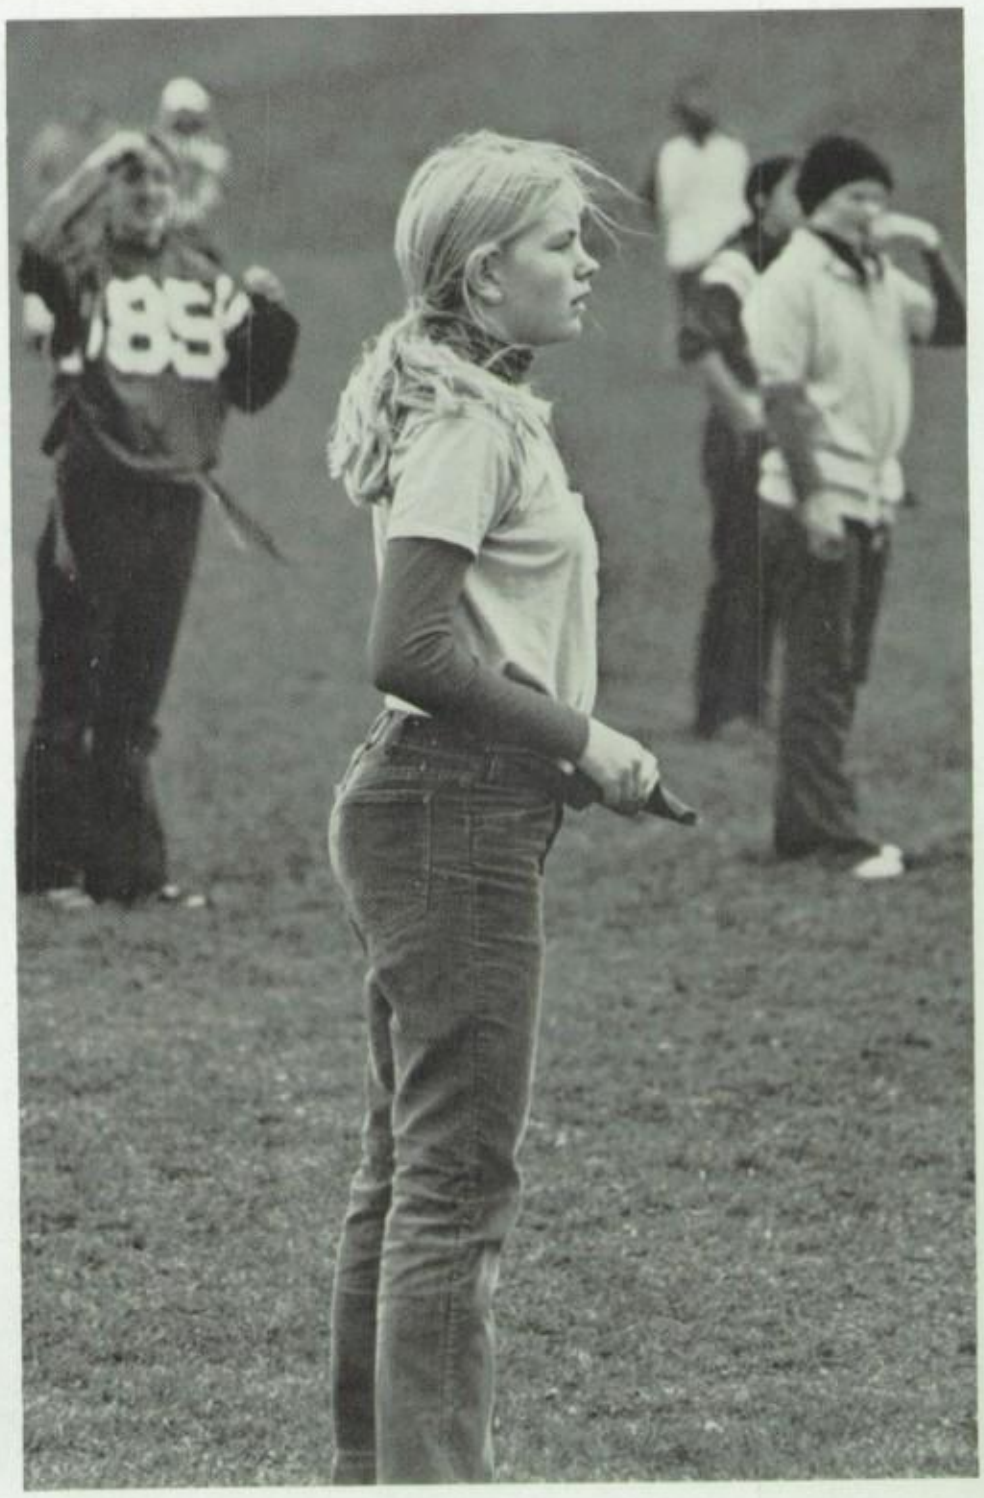
SPECIAL EDUCATION

Powderpuff Football — 1974



November 8, 1974, a cold Friday afternoon, marked the great traditional battle between the "Super Seniors" and "Jolly Juniors" in Powderpuff Football. The seniors won over the juniors with great strategy and coaching by John Bartis, John Flis, and George Johnson. The juniors' coaches were Warren Koch, Glen Smith, Ernie Quarry, and Bill Oatway. The scorers for the seniors were Kathy Rogers, Debbie LaMond, and Celine Hole. Scoring for the juniors were Marianne Rae and Joanne Domingoes. The final score was 19-14, seniors' favor.

Cheering the girls on were Bruce Kundrat for the seniors and John Callaghan for the juniors.

The M.H.S. Seniors Present:

"Cyrano de Bergerac" was directed by Miss Geraldine Martin, one of our resident geniuses. Student director was Beth Murphy. The play took place in the middle 1600's in France. The basic theme was for Cyrano to capture his true love, Roxanne. Roxanne, however, is in love with Christian, who is not really the man she believes him to be. Roxanne confides in Cyrano and tells him of her love for Christian. Cyrano, being a true friend of Roxanne, helps Christian by coaching him in the art of romantic conversation. Christian dies at war. Cyrano dies. But not before he professes his love to Roxanne, thus ending the play.

A tender exchange between Christian and Roxanne.

Cyrano receiving startling news from Roxanne.

Last minute preparations.

"Romeo, Romeo, wherefore . . ." oops, wrong play!

Cyrano De Bergerac . . .

Roxanne explains her desperate plight to Le Bret.

Cyrano delivers his climatic dying words.

Sister Margaret ponders the hidden meaning of the universe.

"Are those 400 eclairs for here or to go?"

. . . and . . .

"Coming Through the Rye" was directed by Mr. James Ascoli from the middle school. Student director was Susan Brown.

The play takes place in the American Room in heaven. The people are waiting to die so they can be born into the world. They are discussing what their course in life will be. This was an excellent performance by all the cast.

Ever have the feeling that nobody's listening?

"But Steve . . ."

Butch discussing her plans for when she grows up.

. . . Coming Through the Rye

"Oh no, not again!"

"Miss Martin? Miss Martin! Miss Martin!?!"

On November 6, 1974 the class of '75 staged a nostalgic romp into the 50's. The days of bobby socks, greased hair, pony tails and long skirts were recreated on senior day 1974. Who could forget Ann Peterson in horn rimmed glasses? Or John Haveron leading a gang of hoods in leather jackets? Crowds of seniors "boogied" on stage during study halls as the sounds of Elvis Presley and Wolfman Jack echoed through the halls of MHS. Entertainment was provided at lunchtime by Mr. Coen and Miss Bothelo doing their version of the jitterbug.

No one will ever forget the fifties and MHS will never forget Fifties Day 1974.

With a supposedly crippling effect of the graduation of last years seniors, prospects were not bright for this years team. With only a handful of returning starters from the great '73 team the preseason outlook was not the best. But nobody bothered to ask the team for their forecast. The season started off badly with an opening game loss to westerly. The Islanders were young, and inexperienced and were no match for the veteran Westerly team at such an early stage. But it is the opinion of many insiders that had the two teams clashed at the end of the season, Middletown could have come out on top. Led by Cocaptains John Flis and John Bartis, the Islanders held on gamely and won heartstopper after heartstopper to Post an 8-1 record, good for second place. For the second year in a row John Flis was voted all-state and for the third time all-division, along with Dave Bowman, Steve White and Ernie Quarry.

In only its first full season of varsity competition the young Islander wrestling squad posted a strong 11-1-1 record and a tie for the division championship with a veteran central falls team. Winning individual laurels for the Islanders were: Terry Doucette 3rd Place in state meet and 1st team all division; Don Cavallaro 4th in state and 1st team all-division; and Gary Borges, Gene Bishop, and Mark Daniels 1st team all division. With only 6 graduating seniors, outlooks for the 1975-76 season are very bright indeed.
